Bar Packages

Open Bar Special:

- Open bar for entire six hour event. Includes beer, wine, soda, and mixed drinks from select liquors in our bar (Bacardi Rum, Seagram's 7, Jim Beam, Skyy Vodka, Amaretto, etc... \$20 per person, \$5 per minor (under 21). Other premium brands from our regular bar may be added for \$75 per brand.

Kegs:

- Domestic Beers (i.e. Miller Lite, Bud Light, etc...) - \$250 per keg (other brands - prices and availability vary)

Our "house brand" is Miller Lite. For the 2nd keg (Miller Lite), if the \$250 price is not reached the party will only pay for what was used by the glass (example: if only ten beers were poured from the keg, you will pay \$25, not \$250). Non-house brand kegs must be paid in full.

Run a Customized Tab:

- You may ask to run a tab on any of our bar products (beer, wine, soda, etc...). These tabs can be run the whole night, to a certain time, or to a certain dollar amount, or for certain people. We are extremely flexible and willing to work with whatever your needs may be.

A 10% gratuity is added to tabs, kegs, and open bar packages.

Special Requests:

- We will do everything we can to accommodate any special requests for specific products you would like with the bar. These arrangements must be made no later than 2 weeks prior to the event.
