Youth Athletics Friendship Request Form

This form has been designed to serve two purposes:

- To encourage participation by allowing players to request to play with one friend, in an effort to afford these younger players the opportunity to have a comfort level by having someone else they know on their team.
- To find a compromise in handling potential carpool/babysitting situations which may enable some children the opportunity to participate where otherwise they might not be able to.

The form must be completed by a parent/guardian from each requesting family and returned to the DeKalb Park District Sports & Rec Center no later than the registration deadline of the program that the request is for.

NO FRIENDSHIP REQUESTS WILL BE ACCEPTED AFTER THE REGISTRATION DEADLINE HAS PASSED.

This form only applies to the following leagues. Please mark the box next to the league that this request is for:

☐ **T-Ball**

☐ **Girls Softball (1st – 6th grade)**

☐ **Boys Baseball (7-12 years old)**

☐ **Youth Basketball (3rd – 6th grade)**

Please Note:

• One friendship request will be allowed per child. **Both families must sign the request on the same form.**

• Coaches and assistant coaches will not be allowed a friendship request if they have requested to be placed together as coaches, and both have a child participating. The coaching request qualifies as their child's friendship request.

• Siblings will automatically be assigned to the same team, unless otherwise requested. The assignment of a sibling to the same team will not be counted as that child's friendship request.
